Commercial Door Lead Technician

Job Description

We are currently looking for a Lead Door Technician to join our friendly team and who shares our desire to deliver “knock your socks off customer service (KYSOCS)”. Please submit your resume if you are excited to join a company whose team members respect and help each other, work hard, and enjoy their job. Our moto is to work smart and safe and that is why we rent and use the right equipment for every job! This is a full time position with hours of operation Monday – Friday 7:00am – 4:00pm, with occasional after hours’ emergency calls, \$17.00-\$25.00, depending on experience (certified welders have the potential to earn more), medical benefits, and retirement plan offered. Successful completion of substance test and a background check are mandatory.
