## **Commercial Door Helper Technician**

### **Job Description**

We are currently looking for a Help Technician to join our friendly team and who shares our desire to deliver “knock your socks off customer service (KYSOCS)”. Please submit your resume if you are excited to join a company which team members respect and help each other, work hard, and enjoy their jobs. Our motto is to work smart and safe! This is why we rent and use the right equipment for every job. This is a full time position with hours of operation Monday – Friday 7:00am – 4:00pm, with occasional after hours’ emergency calls, \$12.00-\$17.00, depending on experience (certified welders have the potential to earn more), medical benefits, and retirement plan offered. Successful completion of substance test and a background check are mandatory.

### **Goals and Primary Skills**

Help to achieve company profitability goal and yearly bonuses  
Mechanically inclined  
Positive attitude  
Good communication skills  
Team player  
Strong work ethics

### **Typical Duties and Responsibilities**

Help install various types of doors and dock equipment  
Help maintain truck, inventory and tools  
Communicate and report daily with management  
Complete all work assignments in a professional manner  
Work safely  
Complete after hours emergency service calls when needed

### **Qualifications**

Experience with hand tools and power tools  
Be able to travel out of town for extended periods at a time  
Valid driver’s license  
High School Diploma/GED  
Able to lift up to 75lbs  
Climb and work from ladders  
Must be able to pass a standard drug test
